## Two islands – bottom to top

as we take in everything from dramatic glaciers to golden sand beaches

The following itinerary shows the trip starting in Queenstown. You can also start a day earlier from Christchurch and travel by shuttle across the Canterbury plains before joining the group for a night in Queenstown.

### DAY 1: QUEENSTOWN - MAKARORA

Leaving Queenstown at 2:30pm, we travel through mountains and on towards stunning glacial lakes. On the final stretch to camp we start getting views of Mt Aspiring National Park in the distance. Lake Wanaka is just over the next ridge and it's on the edge of this glacial lake that we find our next wilderness camp. Enjoy great views of Lake Wanaka and the mountains beyond as we absorb the beauty of the area.

- bike rides: Lake Wanaka lookout to Boundary Creek
- cabin upgrades: no – wilderness camp no upgrade options
- meals: dinner

### DAY 2: MAKAROA – FOX GLACIER

Enjoy a relaxed morning at our lakeside camp then it's northward bound through Mt Aspiring National Park. Just before we reach the West Coast we stop for a walk to the amazing Blue Pools, and then head over the dramatic Haast Pass. As we travel towards the wild West Coast, the road follows braided rivers and huge glacier carved valleys. There are two more great walk options along the way before we arrive in glacier country and our camp for tonight, at the picturesque village of Fox Glacier.

- walks: Blue Pools, Ship Creek
- bike rides: 13km scenic downhill cycle from Haast Pass, 22km Copland track to Fox Glacier
- cabin upgrades: basic single from \$53, basic double from \$18pp
- meals: breakfast, lunch & dinner

### DAY 3: FOX GLACIER - OKARITO

Today is your chance to explore one of NZ's most unique and spectacular natural wonders - Fox Glacier. This staggering beautiful work of nature is over 13 kilometres in length and plummets 2,600 metres from its peak in the Southern Alps. To get on the ice you must go up by helicopter but it's possible to view the glacier with a stunning walk through the main valley up to the terminal face. A walk around Lake Matheson is highly recommended where crystal clear reflections of Mount Cook and Mount Tasman make the perfect photo opportunity. In the afternoon, we have a short drive up the coast to our beautiful beachside campsite next to the Okarito lagoon – one of the very few places where there are still rare sightings of our native kiwi bird and the home to NZ's only colony of the White Heron (kotuku). Enjoy a fire down on the beach taking in the rugged coast and epic mountain views.

- walks: wonderful hike around Lake Matheson, Te Weheka walkway to view the glacier
- bike rides: Te Weheka Cycleway, Okarito road ride 10km
- activities (own cost): Guided Heli-Hike, Terminal Face Walk
- cabin upgrades: dorm bed (shared room) \$15pp
- meals: breakfast, lunch & dinner

### DAY 4: OKARITO - PUNAKAIKI

Enjoy an early morning walk, with a view of the sunrise over the Southern Alps as a reward. We then continue up this spectacular coastal road to the quirky town of Hokitika, home to the Greenstone factories and a great place to pick up a traditional souvenir of your visit. We then keep following the coast to Punakaiki where you'll notice a change in the landscape and vegetation with huge limestone cliffs appearing and Nikau Palm trees become abundant. Our beach camp has great sunsets, a beautiful river and incredible views of Paparoa National Park. The pancake rocks and blowholes are the main attraction in Punakaiki where limestones rocks are stacked on top of each other and ocean swells are forced through gaps in the rock creating a whale's blowhole effect. In the evening, explore a cavern with some glow worms hanging out in the dark then relax at the local tavern.

- walks: Okarito Trig Walk, Point Elizabeth walk
- bike rides: West Coast Wilderness Trail 14km, road ride to camp 37km
- activities (own cost): Punakaiki blow holes (free), horse-riding, river kayaking, paddle-boarding
